Bachelor of Arts

French

In today's globalized context, students of modern languages are being prepared for membership in a global community that extends far beyond the boundaries of the English-speaking world. The study of modern languages is about far more than just learning how to communicate in another language. It's about exploring other identities and values through language, literature, history and culture in a global community. Students who study French will gain awareness of other cultures through courses in language, literature, and culture and civilization, and through academic and living experiences in francophone Canada or abroad.

Language courses

Students registering in introductory and intermediate language courses must complete the Student Information Form to determine whether they are registered in the appropriate course. Students may be asked to write a French Placement and/or French Advanced Placement Test. Advanced placement may be granted to students who have acquired language skills outside of a formal academic environment. Please refer to www.ulethbridge.ca/artsci/modern-languages/department-modern-languages-placement-policy for more information.

Students with no French background should plan on completing the following language progression:

French 1000 - 1100 - 2010 - 2020 - 3010 - 3020

Students with high school immersion (French Language Arts 30 or Français 30) or equivalent background should initially register in French 2020 (but may be placed in French 2010, 2020, or 3010).

Notes

[1] French 2010 and 2020 is the standard pattern; students who place into French 2020 will complete French 2020 and one additional senior French course; students who place directly into French 3010 will complete two additional senior French courses.

Students may **not** count French 1000 (Beginners' French I) among the minimum requirements for the major.

French 2250 and the French Visiting Student Program are required. Please refer to www.ulethbridge.ca/artsci/modern-languages/visiting-student-programs-vsp for information on the Visiting Student Program.

It is strongly recommended that a student attain a grade of 'C' or higher in any course used to satisfy prerequisites for courses in French. For more information see an academic advisor in the Student Program Services Office.
