Indigenous Studies

Indigenous studies explores art, law, philosophy, health, politics, history, gender studies, ecology, business, customs and language — all from a unique Indigenous perspective — making this one of the most sought-after programs of its kind in Canada. In this program, you'll have the opportunity to investigate First Nations', Métis and Inuit (FNMI) history, heritage and culture, as well as the contemporary issues that face FNMI communities. As a student of Indigenous Studies, you'll have access to Indigenous instructors, who are often nationally or internationally renowned, seasoned professionals with real-world experience.
