French / Modern Languages Education French

As an Education major, a student develops a strong knowledge base in the subject area they intend to teach. They also receive in-depth preparation in how to teach, including both general and subject area instructional methods.

In today's globalized context, students of modern languages are being prepared for membership in a global community that extends far beyond the boundaries of the English-speaking world. You will gain awareness of other cultures through courses in language, literature, culture and civilization, as well as through academic and living experiences.

Advanced placement may be granted to students who have acquired language skills outside of a formal academic environment. Please refer to www.ulethbridge.ca/artsci/modern-languages/department-modern-languages-placement-policy for more information.
